### ACCOUNT STATUS - Continued

Thank you for subscribing to Business in a Box

Some products require electronic billing as their official bill media. When electronic billing is the official bill media, an informational statement may be sent containing some of the same information as the electronic bill. The informational statement is not your bill. However, if you choose to mail your payment instead of paying electronically, the informational statement has a tear-off that can be used to submit your payment.

### JUST FOR YOUR BUSINESS

Make a statement - by not receiving one. View and download your bill details electronically via View Bills from the BusinessDirect website! This state-of-the-art online bill provides all the information that is necessary to manage your business. Pay, view and download your bill, in one easy step ... and it's FREE! For access to BusinessDirect, and View Bills, Please contact your Account Executive.

Where allowed by law, AT&T will charge a \$25 fee for any payment returned for insufficient funds, applied on your next invoice. AT&T values your business and thanks you for your cooperation in this matter.

At your request, AT&T can place a "freeze" on your preferred carrier selections for local, local toll service or long distance service. A preferred carrier freeze can help protect your account from inadvertent or unauthorized changes to your carrier selections. If you place a preferred carrier freeze on your account, no one will be able to make a change in your carrier selection until you lift the freeze. There is no charge for this service.

If you receive service pursuant to a signed contract or other term agreement with AT&T and it is currently in effect, its terms will govern the provision of your AT&T service.
